We also advise you to try this ROM game after defeating the bad Frieza Sagas, the protection of the planet Namek ends, and the warriors return to Earth to rest. It seems that evil has concluded, but this thought was suppressed by Dr. Gero when he wore two destroyers, Android 17 and Android 18. They were introduced as two metA robot warriors, capable of fatigue fighting capacity, and extremely Intelligent in tactical flats. The inheritance of Goku II follows the style of the RPG genre and organizes the plot a little rigid. You will take the role of one of the five heroes: Goku, Gohan, Vegeta, small, and finally is Hecurle, to explore in every 15 different places on the world map. If you've ever experienced A e a,~ A "Legend of Zelda, A e a,~" I definitely known the similarities, and in fact, it is. You can interact with other characters, receive quests and collect information from NPCs. At some specific phases, the bosses will appear as obvious. Players must defeat them to move to the next plot. Furthermore, the character will also be developed in many directions, including levels, strengths and specialized techniques. Every time you defeat a Enemy or completing a mission, will receive level experience points and power or speed statistics will be increased. Furthermore, Ki Energy in the body has also increased to bring the ability to turn into Super Saiyan as Goku, Vegeta, Gohan. For As for small, heavy reinforcement is removed to increase movement speed and perform more quickly attack techniques. In terms of control, you can walk or fly through an ACC Identic. Basic techniques are a common choice, while other technologies such as Goku Kamehameha require a great amount of energy. During the battle, they will automatically increase, but they can also actively load with the L button. In some essential battles with bosses, this is a prerequisite to win. Also, there is a number of other support elements used to restore vitality. Your warrior could be wounded after the battle, and if unfortunately killed, then he will have to return to a previous checkpoint to revive. This is what nobody wants at all. Unlike Saiyan warriors, Hercule is not available. It will only be unlocked after the whole character reaches level 50 and will receive a badge of honor.
