The game is developed by FingerSoft, a well-known mobile game company. Currently, the game has reached more than 100 million downloads on the Play Store with many positive reviews from Players.introducing Hill Climb Racing 2The Funny Bill from Hill Climb Racing has returned to the sequel of this exciting off-road driver simulation! There are many new features that have been updated by FingerSoft in the second part of this game, but the player's goal remains the same: accompany Bill to drive his old car forward and go the farthest possible.Familiar Gameplayif You played the first Version of this series, you will find gameplay does not seem to be very different. You can control an old vehicle with the main Newton Bill or Jill character to run along a road with countless obstacles. There is no difficulty for you to get used to the Game S control system. There are 2 pedals on both sides of the screen, gas and brake. Using these 2 pedals, you will check the car to move appears problem forward.The when the track moving is not normal. There are many obstacles, slopes, and cliffs that must be overcome. Hill Climb Racing 2 Challenge your driving skill to get the car through all these obstacles without tipping over. The speed control and braking at the right time is the key to your Victory.New DriversBesides the main family characters you met in the first part, Newton Bill and Jill, you have the chance to control more new characters in this version. Currently, the game has more than 60 different characters to unlock. Each game character has been designed with a different appearance and style. You can meet a bus driver, farmer, gold seeker, and Aliens.before also every race, you are allowed to choose the driver. Also, there are many customizations for every costume characterÅ ç s including pants, shirt, helmet, glassesÅ ç | The characters do not bring advantages to help you win the race. It simply prevents you from getting bored. Most pilots are not available at the beginning of the game. For this reason, you need to unlock them by completing missions or buy them directly from the In-game Store.New Game Modesin The normal game mode (Adventure) at Hill Climb Racing 2, there is no end point in your every turn. It is similar to other endless run games. The turn ends only when the tipper or petrol ends. So what is your goal in this game mode? The answer is simple, just try to control the car as far as possible and collect the coins on the track. The coins are important currency of the game, because they can be used to buy and update elements in the Garage.The multiplayer game modes. There are a update point of Hill Climb Racing 2 compared to its predecessor. WEA LL Talking about this new game mode, cups. In this game mode, you are connected with other random players and participate in a race in a short time.After a few hours to play the game, I realized that the Å ç other players are competing within the Race are sometimes non-real players. They are randomly generated bot in the system. So they play pretty badly. That ç s The reason why you can easily win the races to get trophies and unlock new Maps.Win breeds, you get chests, new items, cups and as a reward. When accumulates enough cups, you can unlock new cups. The land in each cup also changes its difficulty and also increases. Similar to the driver system in the game, you are required to complete the activities in the game Unlock new cups.besides, Hill Climb Racing 2 allows you to organize online races with your friends. You can compete with your friends in races in real time and see who is the sample! Newest maps, more fun! Currently, Hill Climb Racing 2 has up to 12 different areas for you to participate in races. Initially, it is possible to run only in basic places like the campaign, city, city, Forest. However, when you collect enough stars to unlock new maps, you will meet many crazy areas in the game as deserts, mines, even under the ocean and moon! Whatever the ground, your mission is the same: win the races and collect like many coins you can. Every open land also brings new obstacles. For example, when you drive a car in the ocean, you could collide with fish or hanging in coral reef. The new collection of Coral vehicles in Hill Slimb Racing 2 has increased much compared to the first version. Currently, the game has 22 different control vehicles. You can meet many family vehicles like jeeps, scooters, MK2, tractor, motocross, buggyÅ ç å, ~ | You can even check a snowmobile or a tank in breeds. The beginning of the game, you can only check an old jeep. New vehicles can only be unlocked when you reach new levels in the ranking of CUPS. For example, to unlock the snowmobile, you need to reach the level of Platinum 1. When you reach the highest, legendary level, you can unlock a supercar with a rapid speed. Some game vehicles can also be unlocked with coins. In addition to the default system machines, you have the opportunity to control unique cars when they participate in events in the game. Every time 2 weeks, the lunar event in Hill Slimb Corse 2 is held. It is here that you need to complete the missions to unlock new objects and vehicles. When unlocking a vehicle event, it is permanently in your vehicle collection. Upgrade your vehicle vehicle vehicle has its own unique attributes. These attributes are created based on the 4 vehicle components: motor, wheels, suspensions and AWD. Do you want to increase your chances to win Cures Races? You need to update your car. You need to use coins to update. Also, there is another option for you to customize the look of the vehicle is to change the color of the paint. A piece of advice we have for you is that you don't buy a new car when you don't have enough coins to update it. For example, when you have 20 thousand coins, you can buy a scooter. However, then you don't have enough money to make updates to it. We do not deny that the guide of a new car is more electrifying in races, but does not increase your chances of winning. Use coins to update an existing car instead of buying a new one. Because when you update your old machine to new levels, its power also exceeds the new car you want to buy. Note that even the cost for upgrading for each vehicle is different. Basic cars usually have a relatively low update cost so you can only have a few thousand golds to update them to a new level. However, the cost to update a supercar is enormous. Don't worry because Hill Climb Racing 2 MOD we carry in this article allows you to use unlimited coins to buy and update everything easily. Graphic designed to the first version, the graphics in Hill Slimb Corse 2 has been updated. Although the graphic core of the game is basically unchanged when creating the vehicle, the characters and the ground are still the same old style. However, the detail level of everything in the game was better. The Scell Grack 2 still uses a simple 2D graphics but bright images to create a sense of fun for players. Even the collision and explosion effects are also well represented. MOD APK of Hill Climb Racing 2YOU you will surely have a more pleasant game experience when using the mode version of the game that apkamazon leads to this article. Why should you use Coll Slimboas Racing 2 Mod? Most of the articles in Hill Climb Racing 2 are not When you start the game. To be able to possess them, you need coins or diamonds. It is a fact that the game currency is quite difficult to gain. You can get coins when you win the races. If you are lucky enough, you have the opportunity to receive coins and other objects when opens the chest, but it's quite rare. To unlock vehicles and equipment, you need a lot of coins.
