

The little daughter of the snow

Hot down the sun shone and even warmer. The pines were green now. The whole snow melted, drip, drip, the falling water drops that make tiny wells in the snow under the trees. And the snow under the trees was melting. A lot he had gone, and now there were only snow patches in the forest "as the waste of a large white blanket, shrinking every day. Ã ¢ â,¬" is not lucky our blankets do not shrink so ? Ã ¢ â,¬, "said maraosia. Old Peter laughed. Ã ¢ â,¬ "What do you do when the hot weather comes? Ã ¢ â,¬, "said maraosia; Ã ¢ â,¬, "said maraosia, and put away my fluffy coat until next winter. â \in Â ¢ â, ¬ Å" BÃ", A ¢ â, ¬ "said old Peter, Ã ¢ â, ¬ "said old Peter, Ã ¢ â, ¬ "And God, the father of all of us, does it for the earth in winter it becomes smaller and smaller while the warm climate arrives, recently A little, day after day. "" And then he comes a difficult Frost, grandfather, A ¢ â,¬, "said Ivan. A ¢ â,¬, "said Ivan. A ¢ â,¬, "said old Peter, A ¢ â,¬, "said Ivan. A ¢ â,¬, "said old Peter, A ¢ of history, Ivan and Marooosia consulted together; and when the old Peter asked what the story was, they were ready with an answer. $\tilde{A} \notin \hat{a}, \neg$ "said Ivan. $\tilde{A} \notin \hat{a}, \neg$ "said Ivan. $\tilde{A} \notin \hat{a}, \neg$, "said maraosia. $\tilde{A} \notin \hat{a}, \neg$, "said Ivan. $\tilde{A} \oplus \hat{a}, \neg$, "sai â \in â, \neg , "said Maraosia. Old Peter shook her tube, and closed her eyes under her bushy eyebrows, thinking for a minute. Then he started. The little daughter of the snow was once a senior man, as they are, perhaps, and an elderly woman, wife of him, and lived together in a hut, in a village on the edge of the forest. There were many people in the village; Quite a city was - eight huts at least, thirty or forty anime, good company to do to cross the road. But the old man and the old woman were unhappy, despite living so in the middle of the world. And why do you think they were unhappy? They were unhappy? They were unhappy? They are unhappy? They were unhappy? They were unhappy? They are unhappy? They were unhappy? They were unhappy? They are unhap say they were better without them. A ¢ â,¬ "should you say that, grandfather?" He asked Maroosia. A ¢ â,¬," said old Peter, and continued. Well, these two were very unhappy. All the other huts have had babies in them ... yes, and young people playing on the way out, and having to be screaming when someone came to drive. But there were no newborns in their hut, and the old woman never had to go to the door to see where her little she had moved away, because she didn't have little. And these two, the old and the old woman, used to bear the hours, just peeping through their window to watch the children playing out. They had dogs and a cat, and cocks and chickens, but none of these composed to have no children. These two would simply stand and look at the sons of the other huts. Dogs would be barked, but did not notice; And the cat is clouded against them, but they never heard it; And as far as cocks and chickens are concerned, well, they were fed, but that was everything. The old people don't worry about them, and has spent all their time watching Vanyas and the Maroosie belonged to the other huts. Children and sad, a senior Russian man and his wife look at the village children playing in the snow. One day they decide to make their little snow girl. Much for their amazement, her eyes begin Shining, her hair turn black, and she is alive! But she, as the daughter of snow says them, she is not very similar to other children: she plays out all day and night, and she eats ice porridge for breakfast. I can see why he inspired Eowyn Ivey to write the snow baby. This is a variation of the traditional Russian fairy tale, the nephin. Although this children's book does not have a happy ending, like the version of Freya Littlelale, I made the lesson on the importance of evaluating people in our lives and always love a lot. This story would probably mean more for me if I new Russian story was based. I don't think it would be one I would use in my class.
