Before you start to use the mower, read the operator's manual carefully and become completely familiar with the controls. Your Dixon dealer will gladly answer any questions. See your dealer for warranty service, parts and Follow recommended safety precautions and safe operating practices. DANGER highlighted in red indicates an imminently hazardous situation which, if not avoided, will result in death or serious injury. WARNING highlighted in orange indicates a potentially hazardous situation which, if not avoided, could result in death or serious injury. CAUTION highlighted in yellow indicates a potentially hazardous GENERAL OPERATION Read, understand, and follow all instructions in the manual and on the mower before starting. Only allow responsible adults, who are familiar with the instructions, to operate the mower. Clear the area of objects such as rocks, toys, wire, etc., which could be picked up and thrown by the blade. Be sure the area is clear of other people before mow ing. Stop mower if anyone entMow only in daylight or good artificial light. Do not operate the mower while under the influence of alcohol or drugs. Watch for traffic when operating near or crossing roadways.

Use extra care when loading or unloading the mower into a trailer or truck. Do not ride the mower when loading and unloading. Always wear safety goggles or safety glasses with side shields when

operating mower. Data indAll slopes requires extra caution. If you cannot back up the slope or if you feel uneasy on it, do not mow it. DO Mow across the slope with your Dixon ZTR never up or down. Remove obstacles such as rocks, tree limbs, etc. Watch for holes, ruts or bumps. Uneven terrain could overturn the mower. Tall grass can hide obstacles. Use slow speed. Tires maIf tires lose traction, disengage the blades and proceed slowly down the slope. If front wheels lift off the ground, pull the levers back to stabilize the mower. DO NOT Do not turn on slopes unless necessary, and then, turn slowly and gradually downhill, if possible. Do not mow near dropoffs, ditches, or embankments. The mower could suddenly turn over if a wheel is over the edge of a cliff or ditch or They are flammable and vapors are explosive. Use only an approved container. Never remove fuel cap or add fuel with engine running. Allow engine to cool before refueling. Do not smoke while refueling. Never store the mower or fuel container inside a building where there is an open flame. If fuel is spilled on clothing, change clothing immediately. To prevent fire and explosion caused by static electricity Never fill containersThe exhaust fumes are toxic. Keep nuts and bolts tight, especially blade attachment bolts, and keep equipment in good condition. Never tamper with safety devices. Check their proper operation regularly. Keep mower free of grass, leaves, or other debris buildup. Clean up oil or fuel spillage. Allow mower to cool before storing. Stop and inspect the equipment if you strike an object. Repair, if necessary, before restarting. NevChildren are attracted to lawn mowers and the mowing activity. NEVER assume children will stay where they were last seen. Be alert to avoid accidents.

Keep children out of the mowing area and under the watchful care of another responsible adult. Be alert and turn mower off if a child enters the area. Before and during backing look BEHIND and DOWN for small children. Never carry children. They Frame, body panels and fenders are warraThe engine will stop if the parking brake is engaged while the control levers are in the drive position. Engage parking brake CAUTION before starting engine. TO SET PARKING BRAKE The hand operated parking brake is located on the left hand side between the operators seat and the fuel tank. To engage brake, pull lever up to the rear. To reNEVER allow anyone to operate the mower without complete knowledge of all controls and their functions. During initial operation, "learning to drive", set throttle at slow speed. Sound judgement by the operator will prevent accidents. BEFORE OPERATING MOWER 1. Read engine. Page Count 3 Owners manual covers Dixon ZTR3014 and 3000 series mowers. Dixon Cutting hours into minutes 40 years and still growing.
