This is the original manual that came with the tool when the person bought it. Publication No. 26109123763. The rear cover was not trimmed proper when the manual was printed, there is a little extra paper on the bottom of the page and the page had been dogeared see picture. I see no markings in the book. There are 3 extra items included with this manual Dremel 2001 Order form; Product Registration card; and Dremel Accessory ad. The Dremel Accessory ad has some edge wear. I acquired this manual from an estate sale and I do not have the dremel tool. This sale is for the actual OEM owners manual. It is not a photo copy, a CD or DVD. It is a paper manual. I only have the one manual. No Stock photos here, what you see is what you are buying. If buying more than 1 item please wait for a new invoice as I will combine shipping. The manual is stored in a plastic page protector and will be sent in that protector in a plain envelope. Please see my other Auctions for more service and owner manuals. Of course, as always, I combine shipping and all stated postage includes free insurance. I describe my listings as accurately as possible. If you have reservations about the item's age, condition or any other detail that is important to you that I might have failed to mention, please email your questions prior to bidding.
