We are urging the MVC to work to update the regulations to ensure all residents are included. We still expect the standard driver's license to be made available to everyone in January 2021! The MVC does not accept money for appointments and appointments for the new standard driver's license are not yet available. Read all the community information here. The legislation notes that the MVC has up to 13 months to implement. The Lets Drive NJ Campaign will post updates, including on our social media when we have the list. The MVC has noted that the documents and point system will require people to proof their identity, their age, and that they reside in New Jersey.

Please check the MVC for more information. The Real ID license is one that will require proof of status, as well as the other requirements listed above.
