The DMV is trying its best to make the book as comprehensive as possible and this is not always a great thing. Some other states have shown that keeping the DMV booklet short and simple is the way to go they have slimmed down the booklet to the bare minimum, just driving rules and traffic signs that need to be learned for safe driving, everything else was moved online and this has created an ultimate driving test study guide, something that can actually be used by firsttime drivers license applicants to prepare for the knowledge exam. Cheap car insurance, titling or selling a vehicle, voter registration these are all great and important topics, but should they really be in the book that is primarily used by teenagers who dont have their first drivers license yet. We think not and we hope that the Louisiana DMV will arrive at the same conclusion some day. You will need to cover everything up to and including chapter 9 driving offenses, and you can stop at that unless you really want to learn how much it will cost you to renew a drivers license. We have developed over 500 questions and answers for the 2020 Louisiana driving test and you are free to work on them with the help of our practice tests. Start with the very first Louisiana driving practice test for beginners and work your way up to the Simulator, the final challenge before you actually hit the DMV office. Make sure you crossreference those sample questions with the drivers handbook it will help you learn faster. Good luck! All rights reserved. Throw in a driving practice test for that extra edge. You can log in any time of the day or night, from any computer with an Internet connection. Now that's easy. It contains information on traffic laws in your state, as well as helpful driving tips that you should practice when you get behind the wheel. Updated regularly, your drivers license book will be useful to you for the rest of your driving career. And, spoiler alert even after you've been driving for a while, you're still going to have questions about road rules, no matter how comprehensive your drivers ed course was. It details how to get a drivers license, important road rules like rightofway, tips for handling emergencies, and so much more. The easiest way is to navigate to your state's drivers licensing agency's website and view the handbook online. You can also download it so you have your own copy, or you can pick up a physical copy of a DMV handbook when you're at your licensing agency's office. In our modern world, technology is going to continue to have an impact on driving, and that's going to affect traffic laws.

With our online resource, you'll always have access to your state's drivers handbook, which means you'll be able to see the latest changes when they go into effect. You'll always be up to date, and if that means avoiding traffic tickets and other hassles, it's a huge benefit to you. If you're still using your beatup copy of your drivers handbook from back when you took drivers ed, you may be getting outdated information. While reading about driving rules is not the same thing as following them when you're behind the wheel, you'll be a lot better off if you have a thorough understanding of safe driving practices. This knowledge will help prevent you from getting traffic tickets and being involved in car accidents, which means you'll also enjoy a lower car insurance rate. What could be better than that. So even if you've already got your drivers license, be sure you're regularly brushing up on your driving safety information. You and other drivers on the road will be glad you did. Get a Quote.
