Best war base for th11

Here I will share the best TH11 war base of COC, along with this I will also share a link by which you can copy a base in one click. These all TH11 war base which I have shared with you are unique bases and personally made by me, and these bases work efficiently. In this post, you will find 6+ town hall 11 war base And guess what? Here I will also share a link by which you can directly copy the base by just clicking on a link. So you may not face any burden of making the bases and your time will also not get waste in making bases. And I will also share a clear wall frame of all the bases so that you can easily make a choice among the bases So let's take a look at the bases Best Th11 war base of COC Th11 war base anti-ground troop. Below given Th11 war base is specially made for tackling ground strategy This are one of the best bases which I used and liked the most. Why I saying this base the best base?? You can see that the wall is placed in different segments so that opponent ground troops will take time to break the wall and in that time your defense will take the lead. And also take a look at the defensive building they are placed in the best possible manner. You can see that Town Hall is placed in the center of the defense. As a result, an opponent will face difficulty in taking 2 stars and as well as 3 stars. This is another one of the best bases which I ever made while making this base I have put my all efforts in providing you the best ever base. So that our word anti-everything should be justified. In this base, you can find the amazing placement of walls, defense, tesla, air defense, traps and also building in a proper manner. all are just perfect Just click below to copy the base [CLICK HERE](#) Just click below to copy the base [CLICK HERE](#) Just click below to copy the base [CLICK HERE](#) Town Hall 11 war base anti-air troop. according to me this base which I shared with you is to consider the best base for air troop. In a given base, you can see the amazing placement of air traps and air defense and also hidden tesla is also placed in a good manner. So now lets talk about which air troops these bases can tackle in the best possible manner. 1- electro drag attack-- This is the most common air attacking strategy and best-attacking strategy of Town Hall 11. In this attacking strategy opponents use to take some loon and rest electro drag and sometimes take 4 rage spells and 1 poison and 2 freezes. 2-Drag attacking strategy- This is another famous attacking strategy that is mostly used before the elec drag update comes in COC. In this attacking strategy opponent first, breaks the 2 air def with speel and then deploys dragons and some loons from side corner. You are in the perfect place.We frequently test, build, and review the basic layout of Town Hall 11 and provide it here so you can from here and start using it without building or testing it. So check out these five best town hall 11 layouts. Best TH11 Bases 2021 So in this base, Townhall, clan castle, dark elixir storage, and wizard tower are placed in the center. There are five compartments around this center. Above the center, there is eagle artillery. Right after that, there is a hidden tesla, inferno tower, and air sweeper in the top right and bottom left side of the center. There is elixir storage, giant bombs, and an air sweeper at the bottom of the center. There are giant bombs, air sweepers, air bombs, and elixir storage on the center's right side. And there are other buildings as well in the outer layer covering the town hall and clan castle. This is one of the best th11 farming base of 2021. Eagle artillery, town hall, clan castle, and dark elixir storage cover's the center. On the center's right side. There are air defense, X-bow, and a grand warden. Best TH11 Farming Bases Air defense and x-bows are at the bottom of the center as well. There are two air defenses on the upper side of the center and two hidden teslas, and an air cannon. There is elixir storage, an air sweeper, and an inferno tower on the left side of the center. Moreover, many buildings are covering the town hall in the outer compartments. The archer queen and clan castle cover the center. Right next to the center, the town hall is in the next compartment. The center is surrounded by wizard towers, air defense, eagle artillery, and x-box. Best TH11 Hybrid Bases There is a mortar, archer tower, gold storage, and cannon in the left side compartment. Gold storage, cannon, barbarian king, archer tower, and elixir storage is in the next compartment. The next compartment consists of gold storage, eagle tower, cannon, giant bomb, hidden tesla, archer tower, elixir storage, cannon, archer tower, and mortar in the next compartment. Similarly, other buildings outside the walls are saving the townhall, making it one of the best th11 bases. Best TH11 Trophy Bases Townhall, Clan castle, x-bows, wizard towers, eagle artillery, air sweeper, and inferno towers are in the base's center. There are two gold storages with a barbarian king and an air bomb on the left side of the center. Above the center, there is air defense, giant bombs, elixir storage, and a wizard tower. There is a bomb tower, cannon, air defense, gold storage, archer queen, hidden tesla, and spring trap on the center's left side. There is a giant bomb, elixir storage, air defense, wizard tower, cannon, and gold mine on the bottom of the center. There are some defensive buildings outside the walls that will ruin the attacking strategy of your opponent. Best TH11 War Bases You can see in this base that townhall is not in the base. It is because you can put more protection in the center and use the distraction of other buildings and have a greater chance of not having three stars. We have a clan castle in the center with eagle artillery and archer queen in the center. We have x-bows, an air sweeper, and a giant bomb above the center. Below the center, we have the same buildings as above. I will also give you some video replays of attacks so have fun !We have a list of war bases, trophy bases, farming bases and hybrid bases for town hall 11 all for you !Scroll down and enjoy !Best TH11 War BaseWhen it comes to defending a th11 base in coc, you have to make sure you keep the town hall inside the base and moreover in the middle of the base to be at a better position. Town Hall usually contains 20% of the resources and keeping it in the middle increases your chance of saving loot too !Also, you give enough time to the defenses to do its work and stop the enemies before they reach your TH.Want more bases? we have a dedicated post having more than 10+ best th11 war bases.Check it out – Town Hall 11 War BaseVIDEO REPLAY OF ATTACKS.Best Th11 Farming BaseWhile defending your base against troops, you should always keep the town hall in the middle but with farming, it's a little different.Here, the main motive is to protect dark elixir, elixir and the gold storage because it has the most amount of loot in the whole base. It's always suitable to place them in between when it comes to farming in th11.Want more bases? we have a dedicated post having more than 10+ best th11 farming bases.Check it out – Town Hall 11 Farming BaseVIDEO REPLAY OF ATTACKS.Best Th11 Trophy BaseSet's hard pushing your trophy when you are at such a low town hall level because in higher leagues you will get a lot of tough competitors and mostly all of them will have higher town hall, better troops and an unfair advantage above you. Still, you can push to an extent so for that matter, I have bases for you guys that might help.Want more bases? we have a dedicated post having more than 10+ best th11 trophy bases.Check it out – Town Hall 11 Trophy BaseVIDEO REPLAY OF ATTACKS.Best Th11 Hybrid BaseHybrid bases are usually the ones who can do both, defend and protect your resources at the same time. It's tough having these kinds of bases when you are town hall 11 because of limited building options but still here are some options you can choose from !I hope you have got a nice amount of ideas for bases and also links them. You can always arrange them the way you want but doing this just kick starts the process and it's a lot easier doing this too.
