Canon brand peripheral equipment and software which may be distributed with, or factory loaded on, the Equipment, are sold AS IS without warranty of any kind by Canon USA, including any implied warranty regarding merchantability or fitness for a particular purpose. The sole warranty with respect to such nonCanon brand items is given by the manufacturer or producer thereof. If the Equipment contains a hard disk drive, Canon USA recommends that data stored on that drive be duplicated or backed up to prevent its loss in the event of failure or other malfunction of such drive. Canon USA shall have no responsibility under this limited warranty for use of the Equipment in conjunction with incompatible peripheral equipment and incompatible software. In order to obtain warranty service, contact the authorized Canon retail dealer from whom you purchased the Equipment or call the CANON INFORMATION CENTER AT 1 — 800OKCANON. You will be directed to the nearest service facility for your Equipment. This Limited Warranty covers all defects encountered in normal use of the Equipment and does not apply in the following cases Loss or damage to the Equipment due to abuse, mishandling, accident, improper maintenance, or failure to follow operating instructions; If the Equipment is defective as a result of leaking batteries, sand, dirt or water damage; If defects or damages are caused by the use of unauthorized parts or by service other than by Canon USAs factory service centers or authorized service facilities; This Limited Warranty does not cover cabinet exterior finish, video cassette tape, head cleanings, nor does it apply to Equipment purchased outside the United States. This warranty does not cover units sold to rental firms, military operations, hotels, schools, hospitals or for other commercial, industrial, or institutional applications. These uses are covered only by such specific warranty as Canon may issue

with such sales. <http://jagtapnursery.com/jagtap-nursery/upload/hyosung-gv-650-user-manual.xml>

This Limited Warranty does not apply to accessories or consumables for the Equipment, which are sold "AS IS", without warranty of any kind by Canon USA. Please retain this warranty card and your Bill of Sale as a permanent record of your purchase. This card is most important in order to be sure you are contacted right away should there be a safety inspection, modification or product recall under applicable laws or regulations. Greater recording time is possible with a higher capacity SDHC memory card. For other recording formats, a Class 2 or higher card is recommended. Also, movie recording requires cards with 128 MB of memory or more. Cards made by Toshiba, SanDisk or Matsushita are recommended. No particular restrictions apply for still images. Scroll down to easily select items to add to your shopping cart for a faster, easier checkout. Visit the Canon Online Store Now, its easier than ever to transfer and backup footage from your camcorder onto DVDs with the Canon DW100 DVD Burner. Created to provide data backup for Canon Hard Disk Drive and Flash Memory camcorders, the DW100 allows you to connect to a compatible Canon camcorder to download video and burn AVCHD or Standard Definition DVDs. The DW100 will also play back the AVCHD discs created in the burner on an HDTV monitor through your VIXIA High Definition Flash or Hard Disk Drive camcorder. Now, its easier than ever to transfer and backup footage from your camcorder onto DVDs with the Canon DW100 DVD Burner. The DW100 will also play back the AVCHD discs created in the burner on an HDTV monitor through your VIXIA High Definition Flash or Hard Disk Drive camcorder. This case can be conveniently carried by hand or via the comfortable shoulder strap, providing convenient handsfree protection. Using the Canon VL5 Video Light on the VIXIA HF10 and VIXIA HF100 camcorders requires a firmware update. With a CarePAK PLUS, a damaged product will be repaired to good working condition or replaced with an equivalent product.
