Photo of courtesy: Sascha Steinbach / Getty Images Everyone understands the feeling that believes you when you hear a song that is so captivating, you simply have to sing à è à, ~ "or at least buzz. The song should not even be a Musical masterpiece. In fact, in some cases, the song is definitely terrible, but you can still resist the desire to sing it, regardless of bad quality. If the melody is optimistic or haunting, some tracks can simply force you to play up A repeat cycle. Here are 30 of the more infectious songs that you can't get out of your head. See if you can break the spell! Lil Nas X's Smash Hit "Old Town Road" was undeniably been one of the greatest shots of 2019. Ha Quickly acquired popularity through the "Yehaw Lord" on the Tiktok social video sharing app under the "Rap" label. Although the emerging rapper released for the first time the song in a way in Employee, he soon recorded a remix with the Billy Ray Cyrus country star who came up to the stars at the top of the rankings. Photo of courtesy: Paras Griffin / Getty Images The country BOP has also presented an extravagant musical video for the remix with the guest appearances of Chris Rock, Rico Nasty, Vince Staples and more. No matter how you feel about the song, you can't help but count the dependency choir at the top of the lungs. This appealing track comes from the end of the à, ~ 90 years old, right before the beginning of the new millennium, when the Midrifrs exposed, low-rise jeans and pop music reigned supreme. The growing princess Pop of this age? The only one and only Britney Spears. "... Baby once again" was the debut of the singer single, and in the end it has become one of the most bestselling singles of all time with more than 10 million copies sold. Photo of courtesy: Steve Granitz / WireImage / Getty Images Not only the song was affected quickly, but the music video that accompanied the spears dressed by a girl from the Catholic school dancing around, which raised some eyebrows. Nevertheless, it is one of the most iconic videos of pop music. From the moment you hear, "this shot, that iced ... Michelle Pfeiffer, that white gold, you can't help but participate and participate in "uptown funk". Written by Record Producer Mark Ronson for his fourth studio album, Uptown Special, the song presented Bruno Mars and the band of him, the thugs. Inspired by the funk music of the 80s, the Soulful and Utensil Track has had a text of heavy cleats and infectious that rendered immediately the listeners want to hit the dance floor. Photo of courtesy: John Shearer / Getty Images The song certainly made a mark on pop culture. "Uptown Funk" was presented on multiple commercials and TV programs, including live Saturday nights and the Super Bowl 50 show a Day. He even won the 2016 Grammy Awards record. Beyoncé's "single lord" was one of the best songs of the late 2000s, and he had women everywhere asking their men ", where my ring?" What could have been even more contagious was the iconic choreography in the song's music video, including the undecoration of Bey's left hand andto express the freedom of single women to do what they want. Photo Courtesy: Vince Bucci/AMA/Getty Images It was such a great song that won the title "Song of the Year", Best R&B song and Best Performance Vocale R&B female at the Grammy Awards 2010. The song was played in nightclubs, weddings and even divorce parties and was covered and parodied by several artists and comedians. With millions of copies sold worldwide, "Stay with Me" is Sam Smith's most successful single. In the smooth ballad, Smith pleads for his little story to stay for the night simply because he doesn't want to be alone. Photo Courtesy: David M. Benett/Dave Benett/Getty Images Although it is a sentimental song and not a dance floor, the listener could identify with the solitude represented by the song, which inspired them to express their emotions. The song was ranked 12th in the Rolling Stone's top 50 songs of 2014 and was played by several artists, including Ed Sheeran, Florence + the Machine and Luke James. Pharrell Williams' "Happy" track may have been the soundtrack of a children's movie, the Despicable Me 2 soundtrack, but both children and adults loved the song. The song's message was simple: Find joy in all circumstances. The positive energy of the track was highly contagious, and the audience could not help but dance. Photo Courtesy: Rick Rowell/Disney Channel/Getty Images In fact, people from nearby and distant countries have been applauding, singing and dancing along with the popular song, spreading happiness around the world. It was the most successful song of 2014, with 13,9 million pieces sold worldwide (sales, more stream equivalents). The bold and bold song "Don't Cha" by Pussycat Dolls was a great success in 2005. It was originally recorded by Tori Alamaze as his first single, but was given to The Pussycat Dolls to reinvent the group. Even if it didn't necessarily apply, the audience around the world could not resist singing the captivating love: "Don't you want your girlfriend to be as hot as me?" Photo Courtesy: Johnny Nunez/WireImage/Getty Images The song had a huge success in the charts, reaching number one in the USA Hot Dance Club Play and Pop 100 charts. He was also featured in successful films such as Easy A, Alvin and Chipmunks, G-Force, Date Movie and Norbit. It is also part of an animation film, "Can't Stop The Feeling!" It was an eye-catching blow to Justin Timberlake. In the Trolls soundtrack, the disc-pop song was written and produced by Timberlake along with Max Martin and Shellback. Photo Courtesy: Don Arnold/WireImage With his positive lyrics, the track inspires pure joy and happiness, a perfect jam to start theEven if you're not singing together, you're sure to beat at least the foot at the pace. The song's music video received more than 1 billion views on YouTube and won the Grammy Award as the best song written for visual media. "Don't stop believing" a popular rock anthem of the legendary Journey group. The inspiring jam is a song of encouragement with a contagious choir that people can not resist to strap out alone or with friends. The song was inspired by the successful journey of keyboardist Jonathan Cain. Photo Courtesy: Ilya S. Savenok/FilmMagic/Getty Images When Cain was ready to give up his dream of becoming a musician, his father told him: "Don't stop believing, or you're done, man." It is the most sold digital track of the 20th century, with over 7 million copies sold in the United States. The song was covered by several artists, including the cast of Glee. Published in 2003, "Hey Ya!" is the first single from the double album of OutKast, Speakerboxxx/The Love Below. Singed by Andre 3000, success is a perfect mix of electro, funk and soul music. He had everyone out of their places, ready to "discover it as a Polaroid." Photo Courtesy: R. Diamond/WireImage/Getty Images This phrase of the song became so popular that the Polaroid Corporation even used the song to renew its public image and increase product sales. Billboard classified the song as the 20th most successful song in the 2000s in the United States. He also brought home Grammy for Best Urban/Alternative Performance in 2004. Another captivating but rather hateful success of the late 1990s was "Blue (Da Ba Dee)" of the Italian group Eiffel 65. Fans of the song may not know the word verses by word, but they can surely sing along with the simple, catchy hook "I'm blue da ba dee da ba daa...> Photo Courtesy: Stefania D'Alessandro/Getty Images The song actually referred to the sad emotional state of a person behind the scenes, but it was such an eye-catching bop that many had not noticed. Although the song reached sixth place in the U.S. music charts, it reached first place in many other countries, especially in Europe. Children love to sing it, and parents (mostly) hate to play it. It's so annoyingly catchy that some adults find themselves singing the song and doing the gestures of the hands without even thinking about it. "Baby Shark" of the educational brand Pinkfong made the first waves in Korea and other Asian countries before making a big leap in the Western world in 2018. Photo Courtesy: Nathan Congleton/NBC/NBCU Photo Bank/Getty Images Thanks to the international attention dedicated to the song, the parent company of Pinkfong, SmartStudy, has taken enormous benefits. «Baby Shark» has unleashed new toys, clothing, bed linen and other products, including a cereal introduced to the Sam's Club and Walmart. Pinkfong also plans to create an animated series based on the song. "Teenage Dream" by Katy Perry aired in summer 2010 and became a success for the season. The mid-time song is inelectropop with disco and pop-rock influences, making it a fun and contagious dance floor for the masses. Photo Courtesy: Kevin Mazur/Getty Images The song climbed to number one on Billboard's multiple charts, including the U.S. Hot 100, Billboard, Top 40 and Dance Club The graphics of songs. Perry has performed the attractive track in different events around the world, including during her set for the Super Bowl XLIX Halftime Show. In 2014, Gawker ranked high-energy song as the best single number one of the last 10 years. Speaking of huge pop songs, the unforgettable trace of Ariana Grande "Thanks U, Next" must be added to the list. Even if the song came from moments of breakage, discouragement and pain in great life, in the end it has become a hymn of power that inspires people to improve themselves and be grateful for lessons life teaches them along the way . Photo Courtesy: Kevin Mazur / Billboard / Getty Images The song unleashed the ample use of the phrase "thanks u, next door" to refer to passing from bad partner and other negative life situations. The video for the song was even more popular, taking inspiration from the best flicks chicks like Legally Blonde, Mean Girls and Bring It On. When "Bodak Yellow" was released for the first time in the summer of 2017, Cardi B He was already making a name for himself in the hip hop underground scene, as well as on the VH1 Love & Hip Hop New York. It was the trust and cadence of the rapper on the song that made him so picky up, quickly capturing the attention of listeners. Courtesy photo: Scott Dudelson / Getty Images The popular trace has passed the United States Billboard Hot 100 graph for three consecutive weeks, making the fifth female rapper card to drive the chart. The song is easily one of the best traces of the rapper, gaining his winnings at the Bet Awards, American Music Awards and more. This piece of Celine Dion was the main theme track for the 1997 film titanic with Leonardo DiCaprio and Kate Winslet. The power ballad is considered the song of Dion and is one of the individuals sorts of all time. The lyrics and melody of the song are simply unforgettable. Photo of courtesy: Samir Hussein / Redfers / Getty Images "My Heart Will Go On" is considered a timeless classic, and won some important prizes, including 1998 Academy Award for Best Original Song and 1998 Golden Globe Award for Best Original Song. He also dominated the 1999 Grammy Awards, winning Record of the Year, Best Female Pop Vocal Performance and Best Song written in particular for a motion picture or Television Show. Drake's "My Feelings" hit the waves in the summer of 2018 and brought everyone out, "Kiki, love me?" For the best or for the worst, the song has become a great success that could be heard everywhere. Photo of courtesy: GREGG DEGURE / Filmmagic / Getty Images The track incorporated the rebound music of New Orleans and had additional items of the City Girls, even if they were not accredited in the official version. Ripped the Billboard Hot 100 graph 10 weeks and also sparked the viral in My Feelings Challenge, created by the Shiggy comedian. The challenge saw pilots and passengers dangerously jump out of their moving cars to dance to the song. He was definitely putting too much. Released to a NSYNC's "Bye Bye Bye Bye Bye" had captivating texts and memorable dance moves that all teens of the time know by heart. He described the end of a romantic relationship, although a reference to the group's separation from their manager, Lou Pearlman, and their record label at the time, RCA Records, courtesy photo: Albert L. Ortega/Getty Images The song is easily one of the biggest hits of the group, winning more awards at the MTV Video Music Awards and the Teen Choice Awards. It was also the most single pop added radio of all time, with additions to more than 200 radio stations in the first week of its release. The track "Truth Hurts" asks the question so many have asked about the boys for years: "Why do big men until they have to be big?" Although the song was first recorded and released in 2017, it became a viral success in 2019 after gaining popularity on TikTok's video sharing app. courtesy photo: Kevin Winter/Getty Images The song was also included as a bonus track in the deluxe version of Lizzo's third studio album, Cuz I Love You, and reached number one on the Billboard Hot 100. The infectious love and charisma of the artist are really what makes this song impossible to get out of the head. "Genie in a Bottle" is one of Christina Aguilera's songs, and it is one that will make you sing together, even if you love to hate the song. The sumptuous but cool song featured the voices of the Aguilera power station and included captivating texts and a heartbeat you couldn't help but love. courtesy photo: Frazer Harrison/Getty Images The song was Aguilera's lead single on his debut album, and earned the lead singer success and credibility among music critics. It is also credited with redefining the sound of music in the late 1990s. With millions of copies sold worldwide, the song is a hit Aguilera will sing for the rest of his career. British rock band Queen really broke the mold with this classic earpiece that combines elements of opera, hard rock and pop progressive. Written by Freddie Mercury, the song had no chorus and it was simply said that it was relationships, without an in-depth explanation of the meaning of the song provided by the band. Courtesy photos: Keystone/Getty Images However, music fans of all genres heard the song and jumped to shout "Galileo, Galileo!" in their best opera tones. The popular track finally became the third single bestseller of the United Kingdom of all time. It is considered a classic rock song and was introduced in the Grammy Hall of Fame in 2004. Adele himself described his classic song "Rolling in the Deep" as a song "dark blues-y, gospel, tune album", against a pop song. With a plan ina choir in full expansion and the voices of the central Adele, there is no wonder that the song took so quickly. It is a song that expresses an extreme outbreak instead of joy, but you still want to join for "We could have had everything!" PhotoSascha Steinbach / Getty Images is one of the largest songs of Adele, winning both the record of the year, Song of the Year that the best short-fit music video to 2012 Grammy Awards. The song has also been used on more television programs and commercials and has been covered by various artists, including Linkin Park and the great Aretha Franklin. Released at the top of 2016, the song "Work" by Rihanna presents Drake and Melebrine Dancehall, Reggae-Pop and R & B to produce a trace with vibrations of the Native Barbados of the singer. You couldn't help singing the contagious and repetitive sound of the song while moving the hips to the dancehall rhythm. Photo of courtesy: Kevin Mazur / Wire Image / Getty Images Rolling Stone later called "Work" one of the 30 best songs from the first half of 2016. He reached the first place in the Billboard Hot 100 ranking and became the 14th number one of Rihanna . This did the artist with the fourth song more than one of the rankings, behind The Beatles, Mariah Carey and Elvis Presley. Justin Justin Bieber can have grown up now, but no one will forget his annoying shot of Catchy since 2010, "baby". The time up time has been a mix of R & B, dance-pop and hip hop with doo-wop music influences. The undeniably contagious choir captured fans and singer havers in the same way, with literally all singing, "baby, baby, baby, I thought you would always have been my" à è à è à è à è You wanted or not. Photo Courtesy: Kevin Mazur / One Love Manchester / Getty Images The song was well received by musical critics and 12x platinum certified only in the United States. With over 2.1 billion views, the music video is the 33th video more seen on YouTube à è "and the second more despised. Strange, right? "Hey, Soul Sister" by Train is a pop track Mid-time that is easily recognizable when he starts playing. The song of the Rock Band has obtained international recognition thanks to its unforgettable hook and beat. Photo of courtesy: Erika Goldring / Getty Images has reached third place in the Billboard Hot 100 ranking and is the highest song of Train to date. "Hey, Soul Sister" has sold more than 6 million digital copies in the United States and was presented in several shows. The band also runs in different talk shows, including The Tonight Show with Jay Leno, Live With Regis and Kelly and The Ellen Degeneres Show. Rebecca Black has become a night feeling with its viral success "Friday", which was released in 2011. Although the song was considered annoying and was not well received by critics, it has become a classic cult. It is a highly energetic song that celebrates the beginning of the weekend with a captivating hook that is adolescents that adults have constantly stuck in their head. Photo Courtesy: Matt Winkelmeyer / Getty Images The popular song has sparked many And Parodie, including an exhilarating version with Stephen Colbert, Jimmy Fallon, Taylor Hicks and The Roots on Late Night with Jimmy Fallon. It may have not been a multipremred success, but the viral song is always forever in people's minds. "Royals" was Lorde's debut single, released in 2013. The song mixed electropop, alternative music, hip hop and indie-pop in what had to be a reflection message about the disapproval of the artists' luxury lifestyle singer, but quickly became an anthem that people would never forget. Complimentary photo: Steve Granitz/Getty Images The voice of the singer, along with the musical style and the lyrics of the song, received praise from critics. Billboard ranked the song number eight on the 2010 Top 20 Billboard Hits. The track is also credited with the influence of other artists and the "whisperpop" dissemination, a thick but intricate vocal tone used by many singers in recent years. This popular Carly Rae Jepsen dance-pop song sucked listeners from the beginning, if they wanted to admit it or not. This first earring is an unforgettable dance floor that is sure to have anyone belts out "Well, here's my number, so maybe call me" at the top of the lungs. Complimentary photo: Nathan Congleton/NBC/Getty Images Although the song was annoying beyond comparison, it was actually well received by critics, and attracted Jepsen's international attention. "Call Me Maybe" was the best-selling digital single of 2012 and is the seventh best-seller digital single of all time. The song is also ranked on number 47 of the Greatest Songs of All Time in Billboard. Ed Sheeran's pop song "Shape of You" was released early 2017 and quickly became a perfect success for the masses. The mid-tempo track was fun to dance and sing along, thanks to the infectious hook and the vibrations of the tropical house. Photo Courtesy: Jeff Spicer/Getty Images The song became the first to hit 2 billion streams and was the bestseller song of 2017 and the decade in the UK. Billboard ranked "Shape of You" as the ninth most successful song of all time. He won a prize for the best pop performance only at the 60th Annual Grammy Awards. Even if you're not a Bon Jovi fan or a rock fan in general, it's impossible to resist shouting "Ohh, we're halt!" when you feel "Live on a prayer" by Bon Jovi. The song was the track of the band since its release in 1986. Besides being an attractive song, it details the real struggles of the working class, and millions of people can certainly relate to this. Complimentary photo: Scott Tied/Film Magic The song was a success, selling millions of copies worldwide. He reigns supreme at the top of the VH1 list of the 100 Greater Songs of the 1980s. He was also ranked number 45 in Billboard's Top Rock Songs of All Time. Time.
