Google AdSense APK Download link provided here. At this moment, Download Google AdSense APK and track your earnings. Google AdSense is in the category of Productivity. Millions of people use AdSense to display ads on their websites. The account earnings report is also accessible via a resizable widget.

Please note: YouTube revenue is not available in this app.

Permissions Notice

Contacts: Needed to access your AdSense account. It allows you to access reporting features anywhere, directly from your mobile device. Also, remember when the app will be old some new bugs will appear in it. Suddenly, Google removed AdSense for Android from the Play Store. Also, they no longer support the app. The app provides you with an account overview, as well as access to detailed performance reports on all key metrics. So, if you face any bugs or something no one can help you. Available reports include: top ad units, channels, sites, countries and more. Just click on the download button and you will be redirected to the download page, where you can download this app. But a lot of people didn't install it previously and want to install it now. If you have the app installed already on your mobile, you can use it. Google AdSense is the most popular ad network. Here we are providing the Google AdSense APK Download Latest Version.

Why Google discontinued the AdSense app? Google states in an [investing in a common web application](#) compatible with all platforms, we will be able to offer AdSense features optimized for more much faster than we can today on AdSense. Google also said that a third of its AdSense users access from a device. This application is currently free. This application can be downloaded on Android 4.0+ on APKFab or Google Play.

All APK/XAPK files on APKFab.com are original and 100% secure with quick download. The Google AdSense app provides an easy way to view key data from your AdSense and AdMob accounts. After that, follow the instructions listed below.

After the download, open the Google-AdSense-v3.3-(smobilemag.com).apk file. Now, tap on the Install option. Then, you will be redirected to the security screen of your mobile. Allow installation of applications from unknown sources. The application will not be installed at this time. This is how to use the Google AdSense APK on your Android devices.

Conclusion: Google discontinued this application, so there will be no update for this application. You can check all the apps of the Google AdSense developer and find 96 alternative apps to Google AdSense on Android.
